PROTECTION OF LIFE ON VESSELS .- The Secretary of the Treasury has directed that circulars embody-1864, entitled an act fixing certain rules and regulations for preventing collisions on the water, and steamer during the night time, show a lighted torch the disposition of the Japanese to avail themselves shall be approaching, and every such vessel that upon that point or quarter to which such steamers terms of said act of April 29th, 1864, and the provisions of this section, shall forfeit and pay the sum of \$200, one-half to go to the informer, and for which sum the vessel so navigated shall be liable and may be seized and proceeded against, by way of libel, in any District Court of the United States, having jurisdiction of the offence.'

Chronicle

All the little boys in San Francisco have a passionate fondness for going to Sunday-school, because they can vary the monotony of the religious exercises by proving to the Pagan Chinamen whom they meet in the streets how blessed are the influences of Christianity upon the converted mind. They go in gangs—these Sunday-school scholars do—and when a Chinaman approaches they get at him and pound him to death with Bibles and library books, and then pitch pennics and one thousand dollars added, two and a quarter this country. Each steamer brings its quota, with their missionary money to decide which boy miles, was one of the most exciting contests ever Men of rank, men of intellect, men of fortune- shall have the dead man's queue. Then they go on their way to school, and the superintendent gives out the hymn about "The heathen is his blindness." We watch with unfeigned joy the progress of these young Christian warriors towards a better life.

Queen Victoria is so highly pleased with the result of the late Washington negotiations, that it seems as though she could not do enough to express her gratitude toward the High Joints who contributed to bring it about. Earl de Grey was recently created a Marquis for his share in the good work, and now Professor Barnard is to be rewarded by a seat in the Privy Council. If Mr. Disraeli is capable of taking a hint, he'll call off

A man in Jersey City who had stolen a kiss from a school-girl, was fined by a magistrate, horse-whipped by a big brother and snatched bald-headed by his own wife. And it was not much of a kiss after all.

A CURE FOR FELONS .- An exchange says: A poultice of onions, applied morning, noon and night, for three or four days, will cure a felon. No matter how bad the case, splitting the finger will be unnecessary, if this poultice be used.
